## CALIFORNIA-BASED MEMBERSHIP EXECUTIVE READIES FOR SAN FRANCISCO PROPERTY

It couldn't be a more exciting time for West Coast residents interested in The Ritz-Carlton Club. Victoria Roger-Vasselin, the Western Regional Membership Executive, is perfectly placed to introduce you to The Ritz-Carlton Club and Residences, San Francisco and the other five Clubs.

Ms. Roger-Vasselin has met with many individuals who have expressed interest in the new San Francisco property. In addition, she has attended a number of exciting charity and social events in the Bay Area as a representative of The Ritz-Carlton Club.

One such event was the Hearts, Clubs and Aces Golf Tournament held at the Stone Tree Golf Club in Novato, California to benefit ACCESS (AirCraft Casualty Emotional Support Services) The organization was founded by Heidi Snow, who lost her fiancée in the TWA Flight 800 explosion. KPIX-Channel 5 News Anchor Sydnie Kohara served as the event's emcee and San Francisco Mayor Gavin Newsom as the honorary chairman.

Ms. Roger-Vasselin was also on hand for the Charles Schwab Cup Championship at the Sonoma Golf Club to witness Tom Watson's brilliant come-from-behind victory.

At the San Francisco Symphony Orchestra Patrons Dinner, she was approached repeatedly by supporters of the arts who were curious to learn about The Ritz-Carlton Club concept and traditional Ownership opportunities. The gala was attended by, among others, George and Charlotte Schultz and author Danielle Steel.

Ms. Roger-Vasselin is available to meet with you at your convenience to discuss The Ritz-Carlton Club.
