## ACCESS HOSTS FOURTH ANNUAL GOLF TOURNEY

ACCESS hosted the **Fourth Annual Heart, Clubs and Aces Tournament** to raise money for the organization's primary mission: supporting those who have lost loved ones in private or commercial plane crashes. Held on October 3 at the Harding Park Golf Course in San Francisco, the day featured golf, dinner and a live auction hosted by 49ers radio announcer **Gary Plummer**. Thanks to **Bombay Sapphire**, golfers enjoyed Classic Collinses while challenging themselves on the course. Learn more at [accesshelp.com](http://accesshelp.com).
