When Heidi Snow's fiancé was killed on TWA flight 800, she felt as if her life had ended too. But then she realized that other people needed the same support she'd been so hungry for... and that her own heart yearned to love again.

"I'm really done. I'm thinking of starting a new life again," says Heidi, with Arthur.

"Time really does heal. I'm starting to live again, to love again," says Heidi, with Arthur.

"Heidi cared about him, more than she'd let herself admit," said Arthur.

Arthur asked her to marry him. And on a picture-perfect day, "I do," said Heidi, with tears of joy. "But my love for Arthur is not just about marriage," she said. "It's about life. And knowing that Heidi is finally happy... it's what I've always wanted."
